

# Lovely Mummy

Mummy Mummy you're the best, you  
make lots and lots of happiness.

You're as sweet as red roses which  
makes lots of amazing poses.

You always are the rainbow of my  
dreams so I'll always cuddle you in my  
beams.

Forever happy, forever good staying  
always in the summit of good!

Always loving, always kind, you are  
always in my mind!
